

TagTeam® Soybean Peat Inoculant

a biological, has been applied to this seed.

Lot Number:

TagTeam® Soybean Peat Inoculant is not claimed effective after:

This seed product is treated with *Penicillium bilaiae* and *Bradyrhizobium japonicum*.
Registration Number 2014092A Fertilizers Act.

Planting recommendation:

- Some adjustments of planting rates may be required. To obtain your desired seeding rate, it is recommended that you calibrate your planter.
- Application with other seed treatments is possible, but the planting window may be reduced. For up-to-date pesticide compatibility information, please contact Monsanto Company at 1-877-775-8787.

Planting Window: TagTeam-inoculated seed should be planted before the expiry date. The expiry date is valid only for unopened containers stored under the conditions below.

Store in a dry cool place away from sunlight and heat sources. Avoid freeze/thaw cycles.

Do not open inoculated seed bags until ready to use. Use the entire contents of the container once opened. Do not store opened bags of seed.

Treated seed is not to be used for food, feed, or oil processing. Keep out of reach of children.

Contains microorganisms. Microorganisms have the potential to elicit allergic reactions. For sensitized individuals, use appropriate personal protective equipment (PPE) to reduce exposure to treated seed.

First Aid: If inhaled, remove person to fresh air and keep comfortable for breathing. If contact or eye irritation occurs, hold eye open and rinse gently with water for 15 minutes. If wearing contact lenses, remove after first 5 minutes, and continue rinsing. **For emergency medical treatment information, Call Day or Night: 1-800-332-3111.**

For Medical, Transportation, Spill or Other Emergencies Call Collect 24 Hours a Day 1-800-332-3111.
